### Examiner's Reasons for Allowance

1. Examiner has considered Applicant's response dated 04/11/2005 and after further review of Applicant's comments regarding claims 1 – 14, Examiner is withdrawing the previous Non-Final rejection of 01/14/05 and placing claims in condition for allowance.

The following is an Examiner's statement of reasons for allowance, as pointed out by Applicant on page 6 and 7 of Applicant's response of (04/11/05).

The prior art of record does not teach or fairly suggest at least:

A scenario analysis control system device comprising:

"...priority level definition storage means for storing, for each of the at least two text scenarios stored in said scenario storage means, a priority level and a quantity, representing the number of steps executable in response to a single start-up " as best illustrated by Figure 2 and in such a manner as recited in independent claims 1 and 6.

Therefore, all claims, i.e. claims 1 – 14 are in condition for allowance. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
